

MARCH 27 TAKE IT EASEL DESIGNED FOR ARTISTS OF ALL AGES

Sidewalks in the second and third blocks of NE 2nd Avenue in Delray Beach's Pineapple Grove Arts District will become outdoor studios for artists of all ages at the March 27 Take It Easel.

Easels will be available for use with personally-provided art supplies.

An arts and crafts area for children will offer flower making, beading, flower pot painting and the opportunity to create a personal Picasso with a variety of design elements.

Local artists will be among those painting along 2nd Avenue that day. Live entertainment will add to the festive event, as will face painting.

The event is open to the public at no cost from 10 am – 4 pm.

Delray Beach's trendy Pineapple Grove Arts District offers an eclectic mix of art galleries, elegant wine bars, casual coffee shops, gourmet bistros, exclusive furniture collections and stylish gift shops as well as fitness and dance studios and fashion salons.

One of the various special events held in Pineapple Grove throughout the year, Take It Easel is sponsored by the Sun Sentinel and presented by the Downtown Marketing Cooperative.
